Come view this beautiful French Country home located in "The Shires" at Copper Mill. This fabulous home is located on a 3/4 acre estate lot. Upon entering the front doors, there is a room that is being used as an office, but has a closet and could easily be converted to a fifth bedroom. There is also a sitting area off the dining area and a room that could be used as an office, workout room, library, etc. Two beautiful columns with solid concrete Roman toppers welcome you to the dining room. The kitchen offers slab granite counter tops and solid granite sink, stainless appliances which include an ice machine and a Whirlpool Side Kick Refrigerator/Freezer which remains. Walk in pantry, oil rubbed bronzed fixtures and brick pavers in the kitchen. There are also bronze tiles inset on the backsplash over the oven. The kitchen opens up to a living area with a soaring 22ft ceiling. This living area has a beautiful builtin bookcase which houses a 57" High Def Big Screen television which remains. There is also a two sided fireplace with a custom mantle with granite tile surrounds, in the living area that is shared with the master bedroom. The custom window curtain rod remains, the drapes are negotiable. With the exception of the kitchen, all the downstairs floors are natural oak. The large master bedroom is beautiful with with French doors that open to a
