4 Bedrooms | 3 Bathrooms | 3,632 Sqft

Absolutely stunning home in one of Zachary's finest subdivisions, Copper Mill. This 4 bedroom, 3 1/2 bath home has 3,600+ living area. Twelve, eleven, and ten ft ceilings downstairs and nine ft ceilings upstairs. Beautiful living room/dining room with one of a kind faux stone mantel, three sets of French doors that overlook the courtyard, mahogany wood floors that are laid in a herringbone pattern, and two huge brick arches that lead into the kitchen. There are antique cypress cabinets in the kitchen with a unique island, granite countertops, and a large walk-in pantry. The master bedroom has access to the courtyard and has a separate office area with views of the courtyard. Amazing master bath has Turkish travertine floors, a huge granite shower, a jetted tub, his & her vanities, and a huge walk-in closet. Upstairs has 2 bedrooms with walk-in closets and a Hollywood bath. Also upstairs is a kids' living room with a balcony that overlooks the courtyard. The outdoor living area in this home is gorgeous! It has slate floors, a vaulted, beaded board ceiling, a fireplace, and custom cabinets with a cooktop and sink. The outdoor living area is also open to the courtyard. The home is also wired for surround sound inside & out w/speakers. This home has it all!
