4 Bedrooms | 3 Bathrooms | 2,691 Sqft

Welcome to Greystone Subdivision! This new 4 bedroom 3 bath home is constructed by Didier Home Builders featuring top quality and amenities galore. Enter the foyer through the double wood doors graced with wrought iron accents and enjoy the soaring brick barrel ceiling. Upon entering the living room you will see a brick ventless fireplace with gas logs and double French doors enhanced with side lights overlooking a courtyard of flagstone, the covered outdoor kitchen and a lovely view of the tennis courts and pool complex. When entering the kitchen through the living room you will walk through a brick arched opening and be astonished by the Hickory Cabinets, granite counter-tops and the large center island; a perfect delight for the family chef. This triple split floor plan offers privacy to the guest bedroom w/ a private bath, a front bedroom w/ a private bath and an additional bedroom which could be a perfect private office. The master suite is set apart from all the bedrooms and overlooks the courtyard, outdoor kitchen, tennis courts and pool complex. The master suite offers a private French door and is enhanced with a wrought iron and copper awning. The master bath has a corner garden tub, dual vanities, a private toilet area and a large closet w/ custom built-in cabinets. The over sized laundry room offers an abundance of
