This rustic retreat gives you the benefit of being close to town but has the feel of country living. Enjoy the wrap around porch and deck which overlook the lush forest. This tree-filled property borders a 10 acre lake as well as an access road to the Amite River. The character that this home possesses is only accentuated by all of its detailed woodwork. The open floorplan is both cozy and inviting with the master and two of the additional bedrooms downstairs and the other two are upstairs. The spacious layout allows for plenty of room for entertaining, dining or dancing. The second floor loft can be your great excuse to buy that long awaited pool table. Or if pool is not your game, transform it into your own personal home gym or even a playroom for the kids or adults. ***Some of the concrete floors are in the process of being scored.***Extremely motivated seller Please bring offer.
