Peaceful, Restful Country Living! You'll LOVE the tranquility while sitting on the screened in back porch sipping your coffee and watching the wildlife scamper about! This beautiful home has lots of natural light from its many windows throughout . There are ceiling fans in every room and there is ample space in all rooms. The kitchen has tons of cabinets, drawers and counter space, walk-in pantry, under cabinet lighting, cabinets with slide-out shelves, four burner gas range/oven, a large island, and a corner window sink. The breakfast room , living room, and Master Bedroom have large windows to bring the serenity of the picturesque outdoors inside. The den has a fireplace with gas logs and beautiful custom made cypress mantle, and the ceiling is vaulted. The large downstairs Master Bedroom has a sitting area with 12 foot ceiling and wall of windows. The Master Bath has his/her closets and sinks. It has a large jetted tub, separate shower, and separate water closet. There are three bedrooms upstairs; one of the bedrooms could be another Master Bedroom with its own sitting area, and its own bath. The other two bedrooms share a bath. The home has brick and vinyl siding, a new roof, gutters, three Central AC Zoned units which are serviced twice a year. There is also ample storage space, plus the attic space is floored.
