3 Bedrooms | 3 Bathrooms | 2,875 Sqft

The craftsmanship and attention to detail are of the finest quality in this beautiful custom built home situated on an estate sized 6.3 acre lot in the highly desired development of Stone Bridge. The kitchen features slab granite countertops, custom cypress cabinets and doors leading into the large pantry and office, wine cooler and stainless appliances including a commercial grade 6 burner gas stove with double oven. A double sided gas fireplace flanked by brick archways lead into the living room featuring built ins, 12 ft ceiling, lots of windows and french doors which have a great view of the property. Step into the office and you'll find a beautiful built in wall to wall desk. Walking past the wet bar and full guest bathroom, the gameroom features an entertainment center that includes a Bose home theater system complete with wireless remotes allowing for multi-room/outdoor listening and french doors leading out to the covered back patio. The master bedroom is very spacious and has wood flooring that leads into the master bathroom featuring a jacuzzi tub, seperate shower, his and her vanities and travertine flooring. The other two bedrooms have walk in closets and are connected by a hollywood bathroom. Triple crown molding and ceiling fans throughout. Endless possibilities can be found above the garage, where there is an additional 1054 sq ft with a
