This stunning home sits on 3.01 acres of privacy where you'll find plenty of room to entertain with an 18 x 36 inground pool, 25 x 25 covered patio with gas lines for an outdoor kitchen, exterior cable, and wired for a sound system. It is also equipped with an outdoor bath house and exterior shower. The interior offers a gourmet kitchen with slab granite countertops and backsplash, custom milled cypress cabinets complete with built-in spice racks, deep pot drawers, sliding shelves, as well as two full size pantrys, double ovens, gas stove, and all stainless appliances. This area is very open with a bar separating the kitchen and living area and a large breakfast area with beautiful views of the backyard. The living area has 11 foot ceilings with beautiful crown molding, built-in cypress entertainment center/mantle and a true wood burning fireplace with a gas starter. There are gorgeous pecan wood floors in the kitchen, dining, den, and foyer. The upstairs gameroom is 32.7 x 21.2 with a full bath and offers plenty of room if you ever want to add 2 more bedrooms. The flooring is also sound proof upstairs. This home has a great floor plan that was well thought out and has many extra features you must see. Relax on the large front porch or sit in the back by the pool and enjoy the beautiful scenes of the acreage. This is a rare opportunity to find a home that has so
