4 Bedrooms | 3 Bathrooms | 2,150 Sqft

Great open split floor plan!! Home sits on the end of the street in cul-de-sac. Beautiful 4 bedroom 3 bath home. Kitchen has huge island with Venetian Gold granite slab granite. Lots of cabinetry, stainless appliances & separate pantry makes this kitchen user friendly. Dining and den is open to kitchen. Floors are absolutely gorgeous, they are a wide board plantation teak wood. Wood floors are everywhere except bedrooms, utility and baths. Den has rear windows overlooking back yard. A ventless gas logged fireplace is in den. Master bedroom is large. Master bath has jetted tub, separate shower, his & her vanities and great walk-thru closet. One of the extra bedrooms & bath is off the foyer area. The other two are on the side of the garage with it's own bath. Home is very nicely landscaped with one side of the home facing the woods for privacy. In the rear of the home, find an above ground swimming pool and decking. Home owner will remove if buyer does not want the pool. Also, on the rear of the home is a nice size porch. Great home in great condition!!!
