A special jewel, tucked away in the exclusive Beaumont Lane subdivision, this stunning property offers the finest of detail with the grand entry sunroom and 12' ceilings of the formal living area. Your views of the extensive gardens through the banks of French doors overlooking the fountains and ponds in the back bring serenity to the home. The floors flow from white washed Mexican tiles in the sunroom and kitchen to the beautiful old wood floors throughout the house. The Antique French marble mantelpiece in the living room and chandelier in the sunroom were imported from Europe. This custom built 3 bedroom 2 bath home has stunning views from every window and complete privacy for the owners. There is a downstairs library with floor to ceiling bookcases and a marble faced fireplace. The kitchen has a gas cook-top, double wall ovens, microwave and dishwasher. Next to the kitchen is a large butler's pantry with a wet bar and built in wine refrigerator. The master bedroom has beautiful views, and the master bath offers a double vanity, separate shower and soaking bath tub. Upstairs is a large 30' x 24' playroom that has a separate air conditioning unit. A quality property.
