This is an outstanding opportunity to buy a new custom home without all the headaches and delays. This home is complete and has been built with discriminating buyer in mind. Enter through the custom double doors with wrought iron inset to Grand Foyer (24x21) with fabulous domed and lighted ceiling plus Travertine floors and areas in wall for art. There are curved walls, as well as high interesting ceilings throughout. The great room or keeping room has a stacked stone fireplace and 20" porcelain floors. The slab granite is a gorgeous rare granite called iceberg. There is a custom door on the 13 x 8 walk-in pantry and a 12.3 x 10.0 bar/butlers pantry with icemaker, refrigerator and cabinets with wrought iron and glass range with custom hood, a warming drawer and 3 appliances garages, as well as an 8ft island. The master suite features a beautiful master bedroom with views of the lake and a fireplace plus a private covered porch with fireplace. The master bath was built to have the feel of a spa. It has a custom shower with tumbled stone floor and a Jacuzzi with waterfall wall flowing into it. The master closet is an incredible 2 story closet with stairs to the upper level and has over 400 square feet. There is a separate office with custom built-ins and a full bath. All bathrooms have special features. One bedroom down has private bath with separate shower and
