Exquisite, well maintained home. Beautiful wood and tile floors. Kitchen has slab granite counter tops, gorgeous pecan wood raised panel cabinets with appliance garage, gas cooktop, great lighting and a large pantry. Oversized laundry room has cabinets, sink and built in ironing board. Beveled mirrors and lovely faucets in baths. Bedrooms are 4 way split; the 5th bedroom is not ideally located near a bath and even though it has a window and closet, it might best serve as an office. Sprinkler system keeps the yard pretty to view from the covered aggregate patio. Huge garage and lots of storage. Note side boat port/garage type door for access to lawn equipment, etc. Extra parking in front.
