Come see this wonderfully updated 3 bedroom/2 bath home! You will fall in love with the huge master bath and extra large master closet (see measurement labeled "other"). All bedrooms, hallway, and family room have parquet wood floors, while the kitchen, bathrooms, and utility/laundry room has ceramic tile. The wall colors are great neutral colors and you will love the freshly painted crown moulding. The home has a custom brick fireplace and brick around the kitchen bar and on the shelving unit in the breakfast area. All of the lighting has been updated and a new architectural room was put on in March of 2009. The storage shed and 92 gallon aquarium will remain at no value and the curtains in the front bedroom and master bedroom are reserved.
