WOW! Bring the boat, the mother-in law and the kids too! This home has room for it all! Lots of living space, a three car garage and oversized lot too! Move right into this custom builder's home with 5 bedrooms, 4 full bathrooms plus an office! This immaculate two story home has plenty of room to roam and features two of its five bedrooms downstairs. The enormous fifth bedroom would be fabulous for an oversized gameroom or children's playroom. Read and relax in the downstairs sunroom or master bedroom sitting area. Be a chef in the modern kitchen with granite counter tops and offers plenty of space for entertaining. Other features include a breakfast area, a graceful dining room, soaring ceilings in the elegant living room, hardwood floors, fireplace, and a master suite with a whirlpool tub for two!
