Extremely motivated seller. Please bring offer. This rustic retreat gives you the benefit of being close to town but has the feel of country living. Enjoy the wrap around porch and deck which overlook the lush forest. This tree-filled property borders a 10 acre lake as well as an access road to the Amite River. The character that this home possesses is only accentuated by all of its detailed woodwork. The open floorplan is both cozy and inviting with a secluded office, the master and two additional bedrooms downstairs and the other two bedrooms and a loft are upstairs. The spacious layout allows for plenty of room for entertaining, dining or dancing. The second floor loft can be your great excuse to buy that long awaited pool table. Or if pool is not your game, transform it into your own personal home gym or even a playroom for the kids or adults. ***Some of the concrete floors are in the process of being scored.***
