1 Bedroom | 1 Bathroom | 2,037 Sqft

This home has so much potential!! Upstairs is the main living area with one bedroom and bathroom and a loft overlooking the living room and kitchen area. Downstairs has been gutted but can either be restored into a one bedroom one bathroom apartment for extra income or as a separate living area to the upstairs. There is an indoor stair access from the downstairs area to the upstairs living area. This downstairs area can also be used as a potential business area (office, cafe, etc.) or can be screened in for family entertainment!! Too much to mention!! Call today for your private showing!!
