Discover this beautifully crafted Celeste Heritage I model home in Highland Lakes, designed with style, comfort, and functionality in mind. This 3-bedroom, 2-bath home features an open-concept layout ideal for entertaining, highlighted by a spacious living room with wood-boxed beam accents, custom built-ins, and a cozy fireplace. A designated dining area enhances the seamless flow of the main living space. The chef-inspired kitchen impresses with a central island and pendant lighting, a freestanding gas range, stainless steel appliances, 3cm granite countertops, undermount sink, custom cabinetry with hardware, and a custom-built wood hood vent. Interior finishes include luxury vinyl plank flooring in main living areas, tile in wet spaces, and carpet in secondary bedrooms. The primary suite offers a serene retreat with a vaulted ceiling, and a spa-like bathroom featuring a custom-tiled shower with frameless glass. Bedroom 2 also includes a charming cathedral ceiling with a wood beam accent. Outdoor living shines with a covered patio complete with a built-in grill and brick fireplace, perfect for year-round enjoyment. The exterior features a wood front door, high-definition architectural shingles, sodded yard, and professional landscaping. The front landscaping will be removed and replaced with a concrete drive. A rare highlight
