2 Bedrooms | 2 Bathrooms | 1,008 Sqft

This 2-bedroom, 2-bath mobile home sits on a .25-acre lot and is nearing the completion of a complete renovation. Recent updates include new insulation and interior walls, a new subfloor with laminate flooring throughout, and nicely renovated bathrooms. The roof is approximately 4 years old, offering added peace of mind. With just a few final touches remaining, this home presents a great opportunity to add your personal finishing details or maximize value as an investment. Please note, the home does not have a central HVAC system. A brand-new stove was installed on 12/29/25. The property did not flood during the 2016 flood event, and a flood insurance quote is available for buyer review. Whether you re searching for an affordable primary residence or a solid investment property, this home is a fantastic option worth considering.
