Welcome to your new home, where comfort meets functionality! This meticulously maintained 4 bed 3 bath residence, completed less than five years ago, looks & feels brand new while offering modern conveniences & a desirable triple split floor plan that ensures privacy for everyone while promoting effortless living. As you step inside, you'll be greeted by stunning wood floors throughout, enhanced by blackout solar shades that provide exceptional light control & energy efficiency-adding both comfort & value to your everyday life. The spacious primary suite is a true retreat, featuring direct access to a conveniently located laundry room & a generously sized walk-in closet with dual entry to the hallway. For the culinary enthusiast, the*gourmet kitchen is a delight, showcasing stainless steel appliances, a gas stove with a pot filler, & an oversized pantry. An upgraded water purification system at the sink further enhances this impressive space. The cozy living room, anchored by a gas fireplace, sets the stage for relaxing evenings, while a dedicated office off the kitchen provides an ideal workspace for universal use. Step outside to the extended covered concrete patio, designed with custom covering perfect for entertaining family & friends. The fully fenced yard not only offers privacy but features mature landscaping,
