4 Bedrooms | 3 Bathrooms | 2,921 Sqft

This beautifully updated 4 bedroom, 3 bath home offers nearly 3,000 square feet of thoughtfully designed living space, tucked away near the end of a quiet street with no through traffic. With room to grow and space to gather, this home blends modern updates with functional flexibility. Originally designed with 5 bedrooms, one bedroom was incorporated into the primary suite to create an expansive retreat--but could easily be converted back to a fifth bedroom if desired. In addition, a dedicated office/flex space provides the perfect setup for working from home, a playroom, or hobby space. The updated kitchen is built for both everyday living and entertaining, featuring a Verona range, stainless steel appliances, subway tile backsplash, soft-close cabinetry, quartz countertops and a large island ideal for gathering. Porcelain tile flooring runs throughout the entire home, offering durability and a clean, cohesive look. Enjoy generous living areas, a garage for added convenience, and ample outdoor space perfect for entertaining. A large shed/workshop with electricity and a 220V hookup adds incredible versatility for projects, storage, or business use. Move-in ready, beautifully updated, new roof and HVAC, flood zone X, and offering flexible living options--this home checks all the boxes!
