5 Bedrooms | 3 Bathrooms | 4,789 Sqft

An exceptional executive residence designed for grand-scale entertaining and refined everyday living. This distinguished 5-bedroom, 3 full bath, 2 half bath Acadian-style corner lot home offers an expansive open-concept design enhanced by soaring ceilings, crown molding, wood, ceramic, and porcelain flooring throughout. The kitchen features granite countertops, custom-built cabinetry, a center island, breakfast bar, all perfectly positioned to flow into the main living and dining areas for seamless hosting. A sophisticated gas fireplace anchors the living space, creating a warm yet impressive atmosphere for both formal and casual gatherings with a spacious den right off the family room. The primary suite is a private sanctuary, showcasing tray ceilings, gas fireplace, spa-inspired bath with jetted soaking tub, separate walk-in shower, dual vanities, dressing area, and expansive walk-in closets. Generously sized secondary bedrooms provide flexibility for executive offices, guest suites, or multi-generational accommodations, while the bonus room located on the 3rd floor, offers endless possibilities as a media lounge, private office, fitness studio, or upscale game room, with second spacious den located on the 2nd floor. A private guest suite with an adjoining half bath offers comfort and privacy with capabilities to easily transform into a mother-
