4 Bedrooms | 2 Bathrooms | 1,743 Sqft

This beautifully designed 4 bedroom, 2 bathroom single story home offers open, spacious living with 10 foot ceilings and an ideal layout for both everyday living and entertaining. The living and dining areas are filled with natural light from numerous windows and are accented by a gas fireplace that creates a warm and inviting atmosphere. Wood flooring and oversized ceramic tile run throughout the main living areas, with carpet in the bedrooms for added comfort. The gourmet kitchen is thoughtfully appointed with a large chef's island, GE stainless steel smart appliances, a gas cooktop, separate wall oven, and a spacious side pantry. Three centimeter granite countertops are featured in the kitchen and all bathrooms, offering both durability and timeless style. The private primary suite serves as a relaxing retreat with an en suite bath that includes dual vanities, a walk in shower, garden tub, water closet, and a generous walk in closet. This home also includes a full size utility room and a convenient side porch entrance from the enclosed garage. Technology and efficiency are seamlessly integrated with a WiFi enabled SmartHome management hub, wireless security system, exterior security camera, WiFi enabled garage door, wireless smoke and heat combination detector, and a WiFi enabled thermostat with moisture controls and
