\$150,000

!!! LOCATION-LOCATION-LOCATION !!! Outer Banks at Cypress Mill Town is a one-of-a-kind waterfront development offering breathtaking views and private access to the Intracoastal Waterway. Each expansive one-acre homesite features an impressive 116 feet of water frontage, providing the perfect canvas to design and build your dream home. With the Intracoastal Waterway on one side and a stunning 30-acre private lake on the other, this exclusive community offers a rare blend of natural beauty, tranquility, and privacy. The serene surroundings create a peaceful retreat while still allowing convenient access to everything that makes the town of Brusly one of the most sought-after residential areas in West Baton Rouge Parish. This private paradise features a limited number of available lots, so boating and fishing enthusiasts should secure your future homesite now before this rare opportunity is gone.
