4 Bedrooms | 2 Bathrooms | 1,916 Sqft

The Homestead is beautiful modern farmhouse design situated on a sprawling, one acre lot. This thoughtfully designed home features a 4BR/2BA layout with a user friendly open concept floor plan that offers function and flair. The beautiful front porch features double doors that welcome you into the beautiful foyer and family room. Spaces are defined in this open concept with a stunning cypress beam at the kitchen/dining area. The primary suite is tucked away for max privacy and features a beautiful bathroom with free standing tub and separate shower. Double vanities offer plenty of space for all. The walk-in closet is large and practical. This home is designed entertaining or everyday living featuring a large kitchen island, quartz counter tops, stainless appliances, and access to the oversized rear porch. Natural light pours in through the rear wall of windows, providing picturesque views of the private, wooded backyard. Enjoying the outdoors is easy with the lovely covered porches. The rear porch connects seamlessly to the open carport offer even more space for outdoor entertaining. All this plus a convenient mud room and laundry and a dedicated storage area located conveniently behind the carport. The gorgeous lot is bordered on two sides by a beautiful brick and rail fence and has beautiful oak trees to tie it all together. No flood insurance
