4 Bedrooms | 2 Bathrooms | 1,819 Sqft

This four-bedroom, two-bathroom, two-car garage home is ideal for anyone. The kitchen features stainless steel appliances with gas cooktop, a large island, and ample counter space while the open-concept floor plan allows you to easily move between the living room, dining room, and kitchen, making it perfect for entertaining guests or spending time with family. The spacious master suite, which is near the kitchen, boasts a walk-in closet and an en suite. The remaining three bedrooms have walk-in closets and share use of the second bathroom. The house also offers a tankless water heater and a patio with sufficient space for making memories.
