\$235,000

3 Bedrooms | 2 Bathrooms | 1,319 Sqft

Imagine waking up in your charming 3-bedroom, 2-bath home nestled on nearly half an acre of serene space. Picture cozy family nights, laughter echoing through the open living spaces, and effortless entertaining with friends. With a brand-new roof from 2023, you can feel secure and ready for any adventure. One of the unique features of this home is the master closet leading right into the laundry room talk about convenience! No more hauling clothes through the house; simply drop them off as you go about your day. Plus, the entire home is wired with Alexa, making it easy to control your environment with just your voice. Whether you re looking for a place to grow your family or just a cozy retreat to call your own, this home is ready for you. This home has never flooded, and does not require flood insurance.
