3 Bedrooms | 2 Bathrooms | 1,514 Sqft

Tucked away on 2.5 beautiful acres, this charming country cottage offers the perfect blend of privacy, updates, and modern comfort. Mature trees provide natural shade, while the inviting front porch welcomes you home and creates the perfect spot to relax and enjoy peaceful surroundings. This home has been extensively renovated with everything updated or replaced including floor joists, subfloors, plumbing, flooring, and more. Originally remodeled in 2023 and refreshed again in 2025, no detail was overlooked. Major systems including the roof, water heater, HVAC, and appliances were all replaced in 2023, giving buyers confidence and peace of mind. Inside, the home features a crisp, clean aesthetic with fresh white paint and beautiful laminate flooring throughout. A striking wood beam accent subtly defines the living area from the kitchen, adding warmth and character to the open layout. The kitchen is both stylish and functional, offering granite countertops, abundant cabinetry, and stainless steel appliances. The spacious primary suite includes a private en suite bath with elegant stone countertops, dual vanities, and a custom tile enclosed tub/shower combination. Two additional bedrooms share a nicely appointed secondary bathroom. Set well back from the road, the home enjoys a large, level front and rear yard, providing
