3 Bedrooms | 1 Bathroom | 1,818 Sqft

Great Location. Great Value. This spacious 3-bedroom, 1.5-bath home offers 1,818 square feet of living space and sits on a generously sized lot. Tile flooring runs throughout the home no carpet. The inviting living room features ceramic tile, a beamed ceiling, a ceiling fan, and an additional 7' x 6'10" area ideal for a home office or study. A large family room provides flexible living space and could easily serve as a fourth bedroom if desired. The kitchen includes solid-surface countertops, a pantry, and an electric range/oven. All three bedrooms are nicely sized and feature ceramic tile flooring, ceiling fans, and closets. Just off the carport is a versatile 240-square-foot room ideal for storage, a workshop, hobby space, man cave, or rec room. The choice is yours. Schedule your private showing today and see all this home has to offer. **Photos are edited by a professional photo editor for marketing purposes. Some photos may have Ai Generated Furniture in the homes for visualization purposes.**
