Picture perfect single story home in highly desirable Clairmont Subdivision. Upon entry, you'll find a foyer to greet you. 2 guest bedrooms and a full back are tucked away from the rest of the living space. A formal dining room opens to the gorgeous kitchen. Other than the backyard, the kitchen ceiling may be my favorite feature of this home. The large living room is centered around a ventless fireplace and has a wall of windows so you can enjoy the view of your pool. The primary ensuite is tucked away at the back of the house with windows overlooking the pool as well. The primary bath features his and her vanities, a custom shower and separate tub, and a huge walk in closet with a pass through to the laundry. The backyard is a complete haven. Fully fenced, landscaped, and feature an outdoor kitchen and sparkling pool. Whole house generator. This is the perfect property to enjoy your summer days.
