4 Bedrooms | 4 Bathrooms | 3,044 Sqft

Fully updated luxury home on 4.781 acres with shop, generator, greenhouse, and wooded land. This stunning 3,079 square foot property offers 4 bedrooms, 4 full bathrooms, and a private office, combining modern updates with peaceful country living. A new roof was installed in September 2023, and the home has been beautifully updated throughout. The oversized primary suite features a private courtyard and a spa-inspired bathroom with a marble wet room including a freestanding soaking tub, rainhead shower, and additional showerhead. The custom primary closet includes built-in shelving and its own private washer and dryer, while the home also includes a separate full laundry room for the rest of the household. The chef's kitchen is designed for both everyday living and entertaining, featuring a 46-inch professional stove with double ovens, large island, walk-in pantry, beverage refrigerator, and gold farmhouse sink with double faucets. The kitchen overlooks a charming courtyard with pergola and small pond, creating a beautiful outdoor focal point. The formal dining room features two grand chandeliers and seating for ten, while the family room offers a wood-burning fireplace and a wall of windows overlooking the backyard. The property sits on approximately 2 cleared acres with mature pecan trees, plus an additional 2.781 acres of wooded land with a
