3 Bedrooms | 2 Bathrooms | 2,907 Sqft

This beautiful 3 bedroom , 2 full bath, and 2 half bath residence can easily function as a 5 bedroom home, making it perfect for growing families or those needing flexible space. A large upstairs bonus room is ideal for an additional bedroom, playroom or media room, while the very spacious office could effortlessly serve as a fifth bedroom. The upstairs bonus room has been virtually staged to an exercise room. The primary suite is a relaxing retreat featuring an ensuite bath with a bidet and oversized jacuzzi. Throughout you will find 9+ foot ceilings, crown molding, plantation shutters and a wet bar in the den all adding to the home's refined elegance. The den features a fireplace that has been converted to an electric fireplace, offering cozy ambiance with modern convenience. Outdoor features include: gutters, storm shutters, a sprinkler system and a peaceful covered patio overlooking the beautifully landscaped back yard. Additional highlights: 4 car garage with boat port; walk in closets ; outdoor gas hookup for grilling; generator hookup with panel lockout. This home has it all!!!
