Welcome to 9715 Hardwood Dr a spacious one-story home featuring vaulted ceilings, an open layout, and an oversized backyard built for entertaining. Step inside to a bright living area with soaring ceilings, recessed lighting, and a cozy fireplace that anchors the space. The open-concept design flows seamlessly into the kitchen, complete with granite countertops, abundant cabinetry, a new dishwasher, stainless appliances, and a window overlooking the backyard. The primary suite offers generous space and a private en-suite bathroom with double vanities and a tiled shower/tub combination. Thoughtfully designed built-in closet storage systems maximize organization and functionality throughout the home. Additional bedrooms are well-sized with great natural light and convenient access to an updated hall bath. Outside, you'll find a fully fenced backyard with a covered patio structure, storage building, fire pit area, and plenty of room to entertain, garden, or let pets play. The extended driveway provides ample parking and added convenience. Major updates include a roof replaced in 2022, giving buyers added peace of mind. With neutral finishes throughout, durable tile flooring for easy maintenance, and a functional layout, this home is truly move-in ready. Don't miss your opportunity to own a well-maintained home with room to grow both inside
