****READY TO MOVE IN!** This beautiful custom built, pristine house with a triple split open floor plan has 4 bedrooms, 3 full baths and a private office with custom built-in desk and cabinets. It features decorative crown molding, window transoms and pediments, and a foyer with wainscot and a distinctive archway. The kitchen has striking custom built cabinets featuring 2 spice racks, a ceramic tile focal point, and a pot filler above the cooktop. It also has a large island with slab granite. On all countertops throughout the house there is granite. In the living room, there is a stunning wooden beam sitting on brick columns that separates the kitchen from the living room. Wood floors are in the kitchen, living room, dining area and master bedroom. Custom Plantation Louver Shutters add a touch of elegance to the windows. All storage spaces, closets, and pantry are very spacious. You will love the extra large walk-in, dual head shower and a soaking tub in the Primary Suite. Step outside and enjoy the beautifully landscaped yard, covered patio with wood stained ceiling, full outdoor kitchen, fountain, and a pergola with swing. The community pool is just a block and a half away! Convenient! Convenient to I-10, hospitals, schools, churches, and shopping. **THIS HOUSE IS A MUST SEE AND HAVE!**
