\$75,000

2 Bedrooms | 1 Bathroom | 1,424 Sqft

Nearly 100 years old, this classic home is full of character and ready for its next chapter. Sitting on approximately 1.75 acres of cleared land, the property offers plenty of space and potential for the right buyer. With two sewer systems and two water wells already in place, the groundwork is there for future possibilities. This home has good bones and the timeless charm that only an older house can offer it simply needs the right investor or cash buyer to restore it and bring it back to its former glory. The home does not currently have central A/C or heat and is being sold as-is, making it a great opportunity for someone with vision to revive this nearly century-old property. (Acreage is dependent upon parish approval of land subdivide. Mobile home, travel trailer and cover for travel trailer will be removed).
