If extra space is what you are needing this home is just for you! With over an acre of property to spread out yet close to everything. This home has lots of natural light pouring in, open family room, soaring ceilings with a great office or reading nook to escape away. Large primary suite downstairs with French doors leading to the backyard. Primary bath beautifully appointed with jacuzzi, separate shower, H/H vanities and H/H closets. Kitchen has slab granite, breakfast island and gas cooktop. Oversized bedrooms with walk in closets, Jack n Jill bath each with its own private vanity and dressing area. Upstairs includes a children's den or bonus room that could easily convert to a mega media room. Three car garage. So much space inside and out with so many amenities to see. Home is priced to move...book your showing today!
