Step through the beveled glass cypress front doors and immediately experience the architectural presence and craftsmanship of this exceptional home. A sweeping wrought-iron staircase, rich heart pine floors, soaring ceilings, and extensive crown molding create a dramatic first impression, while custom cypress cabinetry and refined finishes reflect quality throughout. Designed for both everyday comfort and elegant entertaining, this home features a HAI security system with four cameras, and an integrated sound system that flows seamlessly through the home and into the backyard entertaining areas. The beautifully updated kitchen (2020) offers stainless steel appliances, including a 6-burner gas cooktop, Bosch dishwasher, GE oven and microwave, and a wine cooler perfectly suited for both casual meals and hosting guests. A special highlight is the dedicated media room, featuring a 100-inch screen, Panasonic HDMI projector, and seating for more than twelve creating the ultimate setting for movie nights or game-day gatherings. The private primary suite overlooks the stunning outdoor living area and resort-style pool. The spa-inspired primary bath features travertine flooring, marble countertops, and a luxurious marble walk-in shower. An additional large suite is located downstairs, perfect for weekend guests or can be a MIL
