3 Bedrooms | 2 Bathrooms | 2,141 Sqft

Great Location!! 3 Bedroom home with spacious office that is large enough to be a 4th bedroom if needed. Upon entering the foyer you will see the great open floor plan with the spacious living room opening to the kitchen area. The living room is great size, neutral colors and has windows for natural light. The large kitchen features a gas range, an island with a breakfast bar and ample cabinets for storage and lots of counter space. Just beyond the kitchen is the dining room with a great view of the patio, backyard and pond. 2 of the bedrooms, a full bathroom and the laundry room are off the kitchen area. The office area that could also be used as a 4th bedroom or playroom is located towards the front of the home. The primary bedroom is nestled towards the back of the home. It is very spacious and has an en suite bathroom with dual sink vanity, soaking tub, separate shower, water closet and 2 walk-in closets. The patio area is oversized and has great views of the backyard and pond. This home is a must see!!
