4 Bedrooms | 2 Bathrooms | 2,257 Sqft

Large, completely remodeled 4 or 5 bedroom home on a big corner lot with an absolutely HUGE Oak Tree! The Great Room could be used as a Master Bedroom - it has an attached bath and a utility room that could become a walk-in master closet. Nice living room with a wood-burning fireplace. The kitchen / breakfast room features an oversized pantry and a newer refrigerator that remains for the buyer at no value. All bedrooms have brand new carpet and all of the laminate wood flooring is new also. All light fixtures and bath fixtures are new. The house has been freshly painted inside and out! If you need a large family home in a nice neighborhood, come and see this one!
