Motivated Seller!!! Nestled in a desirable 18 Home Subdivision with sidewalks, dead end street, subdivision pool and no through traffic! This custom-built home showcases superior construction and design spanning on .80 acres with circular driveway and ample concrete parking areas. With four generously sized bedrooms, each featuring en-suite bathrooms, expansive closets, and built-in shelving, luxury is standard. The master suite boasts its own wing, complete with a spacious sitting area by the fireplace, dual closets, and a uniquely designed master bath in its own suite. The heart of the home, the kitchen, features a large round snack bar, gas stove, cabinets galore, and walk-in pantry. Both the dining and living room are graced with elegant French doors and a fireplace, complemented by built-in features. Additional storage and numerous closets ensure ample space throughout. The upstairs layout offers a potential fourth bedroom or bonus room with its own bath, while the downstairs office provides a quiet workspace. The expansive RV port, measuring 33 x 50 feet with soaring ceiling heights and dual garage doors in front and back, along with separate storage areas, is truly remarkable. This home, with its endless possibilities and situated in a top-rated school district without the need for flood insurance, is a rare find.
