4 Bedrooms | 3 Bathrooms | 2,067 Sqft

Beautiful 4 bedroom, 3 bathroom home in Stone Hill with an open, split floor plan, beautiful wood flooring and ceramic tile throughout, and no carpet anywhere. The kitchen features stainless steel appliances, granite countertops, a gas cooktop, wall oven, subway tile backsplash, and an eat-in island that opens to the living room. Large windows bring in plenty of natural light and highlight the built-ins, wood floors, and gas brick fireplace. The primary suite includes dual vanities with granite countertops, a garden tub, a separate tile shower, framed mirrors, and built-in drawers and shelving in the walk-in closet. You will also find a computer nook, mudroom, and a laundry room with a sink. Upgrades by the seller include a new roof installed in 2024, a new HVAC system in 2024, and a new tankless water heater with a Flow Tech water softener system added in 2025. The home also includes Control4 smart lighting, surround sound, and an upgraded dryer vent duct booster with indoor lint trap and magnetic vent coupling, and the living room fan is remote controlled by Google Hub to adjust the light color and fan speed. Outside features include a 2 car garage with a large storage room, a fully fenced backyard with a double gate, an extended covered patio, and an outdoor kitchen that is perfect for entertaining.
