2 Bedrooms | 2 Bathrooms | 1,216 Sqft

Situated on 3.96 acres, this 2-bedroom, 2-bathroom mobile home offers approximately 1,216 living square feet and plenty of space to enjoy country living. The interior was remodeled following flooding in 2016, giving the home an updated feel while maintaining its comfortable layout. A covered front porch provides a great place to relax in the evenings while overlooking the surrounding acreage. The property also includes a shed that needs roof repair, though the structure itself remains in generally usable condition. With nearly four acres of land, this property could be a great option for buyers interested in gardening, small livestock, or starting a small homestead lifestyle, with plenty of room to make it their own.
