This thoughtfully designed 4-bedroom, 3-bath home, plus office offers a NEW ROOF (Dec 2025) and a floor plan that blends comfort and functionality, featuring a desirable split-bedroom layout and an open-concept kitchen, dining, and living area. The welcoming foyer features a bead board ceiling and opens to an office with French doors, offering flexibility as a home office or formal dining room. Crown molding throughout most of the home adds a refined touch. Sun-filled and inviting, the living room showcases a wall of windows with backyard views, a gas fireplace framed by built-in bookshelves with storage on both sides, and an easy flow into the adjacent dining area off the kitchen, enhanced by additional windows. The kitchen is well-appointed with granite countertops, a decorative backsplash, center island with multiple seating, gas cooktop, an abundance of freshly painted cabinetry, and a pantry ideal for both everyday living and entertaining. Abundant windows throughout the home create a light and airy atmosphere. The oversized primary bedroom is highlighted by a beautifully detailed coffered tray ceiling and flows into the en suite bath featuring separate vanity areas, a jetted soaking tub, a separate shower, and a generous walk-in closet. Down the hall, an additional bedroom with an adjacent guest bath offers extra flexibility for
