Welcome to 308 Galvez Lane! A beautifully maintained 3-bedroom, 2-bath home offering comfort, functionality, and thoughtful updates throughout. Built around 2007-2008, this total-electric property has been impeccably cared for and features a 2022 roof and 2022 water heater for added peace of mind. The semi-open floor plan creates a natural flow between the living, dining, and kitchen areas, making it ideal for both everyday living and entertaining. Custom ceramic tile runs through the main living spaces, including the master suite, while the other two bedrooms feature new laminate wood flooring. The kitchen and bathrooms are appointed with beautiful granite countertops and stainless steel appliances (oven/stove combo and dishwasher remain), along with generous pantry space and storage space throughout the home. The primary suite is inviting and spacious, highlighted by a tray ceiling, walk-in closet, double vanities, and a tub/shower combination. Additional features include interior laundry with electric hookups, a solid wood front entry door, brick and vinyl siding with gutters, a stunning tiled front walkway, a double-car garage with automatic opener, and a dedicated water heater nook. The four-car driveway provides ample parking, while the backyard offers an open, usable space with a cement pad ready for outdoor enjoyment. Best of
