Gorgeous Home in the country on 4 acres! Built in 2024 this elegant beauty is ready for a new owner. Home has arched doorways, entryways and beautiful accent walls. Not to mention a moody quest bath. Kitchen has a farmhouse sink, quartz countertops, large walk in pantry and a top of the line gas stove with 6 burners. Off of the kitchen is open to the living and dining room with many windows for a fabulous view. You can also find a pet room with a window for your little friends. Floors are luxury vinyl and different geometric ceramic floors. Primary suite has a unique set up to walk thru the large closet directly into the laundry which is also right at the back door off of the kitchen for a great drop area. The primary suit has dual vanities one with a sit down area and a custom shower and soaking tub. The guest wing has a jack n jill bathroom set up for privacy. Outside you will find a concrete slab all set to build a great shop in addition to wide open spaces. Call today to see this beauty.
