Whether you are a first-time buyer looking for an affordable start or a savvy investor seeking a high cap rate rental, this property is a standout. Its turnkey condition means zero downtime simply close and start collecting rent or move right in. Rarely do you find a property at this price point with all the "big ticket" items already handled. Move forward with total peace of mind knowing the heavy lifting is done: Brand-New HVAC System (Installed 2025): Ensuring energy efficiency and climate control for years to come. New Roof: Protecting your investment from the top down. New Water Heater: One less thing to worry about.
