A truly one of a kind home is now available on Bayou Rd in Plaquemine! This completely renovated and re-imagined, custom Acadian style home sits on 1 acre and features 4 bedrooms, 3 bathrooms, nearly 3,000 living sf and a 400 sf ADU that is ready to be finished out to the new owners' needs. The front part of the home is believed to have been built in the 1930's and was purchased and moved by the current owners to its current site in the early 1990's. The rear and upstairs sections of the home were constructed at that time along with the carport/ADU. As you step through the front doors, you'll experience 11' ceilings throughout the entire first floor and see 2 glass transoms over the doorways of both of the downstairs bedrooms. The home features all new flooring (engineered hardwoods, ceramic tiles & carpet), light fixtures, electrical & plumbing upgrades and 2 new a/c units. This home is an Oak & Cane custom design with all three bathrooms and the kitchen featuring stylish design and high end finishes. An added bonus is the Cherrywood kitchen cabinets and hood were designed/built by the owner and are truly one of a kind! The kitchen contains a stainless steel KitchenAid Oven & Dishwasher, a pot filler and a 6 burner gas chef's range! Outside you'll see the 2 car carport and the ~400 sf ADU. The ADU has been plumbed, wired and sheetrocked
