**4 Bedrooms | 3 Bathrooms | 2,461 Sqft**

Spacious and beautifully designed, this 4-bedroom, 3.5-bath home offers 2,461 square feet of comfortable living in the desirable Windermere Subdivision. Featuring a unique floor plan with high ceilings and an open-concept layout, the kitchen flows seamlessly into the living area perfect for entertaining and everyday living. The large kitchen island with granite countertops provides ample prep space and seating, complemented by a JennAir gas stovetop, gas oven, and built-in microwave. Wood floors add warmth and elegance throughout the main living areas, while ceiling fans in all bedrooms and the living room enhance comfort year-round. The spacious primary suite includes a large walk-in closet with a window for natural light. A dramatic second-floor balcony overlooks the living area below, and a large rear window fills the home with beautiful backyard views. Enjoy outdoor living with a generous backyard and covered back porch ideal for relaxing or hosting gatherings. Conveniently located near grocery stores, shopping, the Perkins Rowe, and the YMCA, this home offers both comfort and accessibility in one exceptional package.
