Gorgeous custom home peacefully set just behind The Chapel of Santa Maria that truly stands out! This beautifully designed home features reclaimed brick and wood floors in the kitchen, living room, and primary suite, soaring ceilings, and stunning windows that fill the home with natural light. The spacious living area is anchored by a classic fireplace with a wood mantle and flows seamlessly into the formal dining room and private study with elegant French doors, creating the perfect work-from-home space. The kitchen is designed for both everyday living and entertaining with custom cypress cabinets, slab granite countertops, a gas cooktop, and a large island with additional storage. A charming breakfast area and coffee bar overlook the backyard, while a hidden butler's pantry under the stairs provides excellent storage for entertaining pieces and extra cookware. The luxurious primary suite on the main floor features a tray ceiling with crown molding, backyard access, and a spa-like bath with a jetted soaking tub, custom tiled shower, and dual vanities. Upstairs offers a versatile loft space perfect for a playroom, workout area, or second living space, along with two spacious bedrooms with generous closet space. Step outside to your private backyard retreat featuring a covered patio with a built-in sink and mini fridge, overlooking a sparkling
