Welcome home! This very spacious 4BR/2BA home is located in Woodmere Subdivision, a quiet, established neighborhood with convenient access to local shopping, schools, and everyday amenities. This is a structurally sound home with a solid raised foundation. It features new solar panels and a brand-new heat pump system for energy efficiency and lower utility costs. Inside, you'll find a formal living room, den, kitchen and dining area, and a large California room that provides flexible space for gatherings, hobbies, additional living area or whatever you can dream up. The primary features an ensuite and there are three spacious additional bedrooms and an additional bath. The fully fenced yard offers privacy and space to enjoy the outdoors, and the covered back patio is ideal for relaxing or entertaining. This home is a fabulous opportunity for buyers who want a well-built home in a strong location with room to personalize.
