**4 Bedrooms | 2 Bathrooms | 2,280 Sqft**

Discover the perfect blend of comfort, space, and country charm on 13.8 acres of beautifully manicured, picturesque land. This spacious 4-bedroom, 2-bath home offers 2,280 square feet of living area and includes a 1,500-square-foot workshop, making it ideal for those who need room to spread out, work, or simply enjoy the outdoors. Inside, the home features an open, split floor plan designed for both everyday living and entertaining. The inviting family room showcases carpet flooring, a beamed ceiling, and a cozy electric-log fireplace with a decorative mantle, flanked by built-in bookcases for added character and functionality. The adjoining kitchen is both stylish and practical, featuring an eat-at island, formica countertops, electric range/oven, farmhouse sink, canned lighting, laminate flooring, and abundant windows that provide beautiful views of the backyard. Just off the kitchen, the dining room offers a welcoming space perfect for family meals and gatherings. The primary suite features carpet flooring, crown moulding, and a ceiling fan, along with a private en suite bath complete with laminate flooring, a relaxing garden tub, separate custom shower, double vanity, water closet, and a walk-in closet. Three additional carpeted bedrooms each include ceiling fans and walk-in closets and share a well-appointed full bathroom. With
