3 Bedrooms | 2 Bathrooms | 1,503 Sqft

Step inside this inviting 3 bedroom, 2 bathroom home and immediately feel the comfort of a bright open concept floor plan designed for both everyday living and effortless entertaining. The living, dining, and kitchen areas flow naturally together, creating a welcoming space where family and friends can gather with ease. The home features ceramic tile flooring throughout the main living areas and wet spaces, offering durability while keeping the home clean and low maintenance. In the kitchen, quartz countertops and a built in water filtration system combine style with everyday convenience, making it a space that is both practical and enjoyable to use. The guest bathroom has been recently updated, adding a fresh and modern touch that today's buyers appreciate. Step outside and discover one of the home's most enjoyable features, a custom built patio perfect for relaxing evenings, weekend cookouts, or hosting friends and family. The fully fenced backyard sits on a large lot, providing plenty of space for pets, outdoor activities, or simply enjoying your own private outdoor retreat. A 10 x 12 storage shed offers additional room for tools, lawn equipment, or hobbies.
